

Welcome home to Sunrisehouse Hvar

We wish you a wonderful time with many beautiful impressions on the dream island of Hvar.

To make your time here as comfortable as possible, here are some tips and rules:

PIN for the key safe:

1958

Wifi access:

Network name: JOSEF

Password: easy_1000

Getting to the island

by car:

best from Split with www.Jadrolinija.hr

-> the ferry Split–Stari Grad

without car:

directly with the **Krillo catamaran** to Hvar town.

Private boat transfer from the airport to Hvar (and excursions)

are offered by: **Navis Tours**

If interested, reach out to Ico Brodovi (+385 95 196 63 99).

Parking

You can park on the street, where you will find a parking space reserved for our house with space for up to 4 cars.

At the house you will find a trolley to transport your luggage.

for wifi

Garbage

Please separate the recyclable materials in the bags provided!

— Yellow for plastics

— Green for glass

— Blue for paper

The rest (including organic waste) goes into the residual waste garbage can.

You will find this at the outdoor kitchen.

Shopping/Food

You can do grocery shopping in Hvar or Stari Grad, where there is a large store with a great offering right at the ferry port.

In Brusje there is a kiosk that sells homemade products like honey and oil. Also, every morning, a bakery truck stops by in Brusje to deliver fresh bread. For this you should be at the bus stop by the street at 7:00 am.

In Hvar there is also a wide variety of stores, including a fish market. However, for a large selection of fish, we recommend going there before 6:30 am. Directly next to it, there is a large market with vegetables and fruit. Hvar also offers many restaurants, we like going to Alvis or Jerolim.

Starigrad is a bit calmer, but there you will also find very nice restaurants, our suggestions are Pinetta or Nook. The restaurant Alavia on the old road to Starigrad is also excellent.

Please note:

The front door on the first floor falls shut. If you lock yourself out contact Carlos, he always has a spare key.

Please use the air conditioning only when the windows are closed.

Pool/Outdoor area

Our pool is a salt water pool and it works without the addition of chlorine.

If you have applied sunscreen, please use the outdoor shower before entering the water, otherwise the water will turn green.

Our pool service comes once a week to check the water quality.

To keep the pool nice and clean, you can put the robotic pool cleaner into the water daily.

Our towels are for the pool only, please do not take them to the sea.

If you go away and it looks like it is going to rain, please bring the cushions from the outdoor sofas inside.
